Abdelrahman Issam Ismail
Senior Front-end developer

Mobile: **009 05373703284**
Email: **Abdelrahman3d@gmail.com**
Portfolio: **Abdelrahman3D.me**
Objective: I am a computer engineer who works as a front-end developer. I work on design systems and many open-source tools that aim to introduce new better solutions for both the end-users and developers, I'm obsessed with performance and design patterns, I also love to add life to any project using SVG web animation.

EXPERIENCE

Baianat Company
present ... 2017 | **Front-end team lead / OOS maintainer**
Responsible for the supervision of the front-end team, created the code part of the company's design system and also one of the open source core team, which build web solutions with user-experience in mind.

Kite.agency
2017 ... 2016 | **Front-end developer**
Worked remotely on a multitude of web projects for a wide variety of clients, providing front-end development.

Freelancer
